

ref. 51272

MAGNETIC PICK-UP TOOL WITH LED

Function

This magnetic product is widely used in the manufacture of vehicles as it allows the recovery of small parts without having to disassemble part of the engines to gain access to the area where the part has fallen.

Advantages

- ✓ Long life LED
- ✓ Extendable
- ✓ Light weight
- ✓ Easy to use
- ✓ Magnetic tip

Technical specifications

Extendable	90-810mm
Material	Steel + magnet
Diameter	15mm
Capacity	1kg
